PROFESSIONAL SUMMARY

Motivated Information Technology undergraduate seeking a Quality Assurance Internship.

Hands-on experience in manual testing, bug tracking, and understanding of QA methodologies.

Eager to apply analytical problem-solving skills to identify bugs, execute test cases, and ensure the delivery of high-quality, reliable software projects.

EDUCATION

Higher National Diploma in Information Technology (HNDIT)

Sri Lanka Institute of Advanced Technological Education (SLIATE)

Status: Coursework Completed (Available for 6-month Internship)

TECHNICAL SKILLS

Quality Assurance: Software Testing, Bug Tracking, Quality Engineering, Manual Testing

Programming Languages: Java, JavaScript, C#, PHP

Frontend: HTML, CSS, Bootstrap

Backend: Laravel

Databases: MySQL

Tools: Git, GitHub, Postman, Visual Studio Code

PROJECTS

Student Management System

C#

- Developed a robust application for managing student records, attendance, and grades.
- Implemented object-oriented programming principles and integrated the application with a database for reliable data storage.
- Executed thorough software testing to ensure system stability, data accuracy, and a bug-free user experience.

Restaurant Management System | GitHub:

github.com/nuwiix21-a11y/resturent-management-system.git

Java | MySQL

- Developed modules for menu, customer, order, and billing management.
- Designed backend functionality for managing core restaurant operations while ensuring software reliability.
- Performed UI and functional testing to validate end-to-end user workflows and database-driven CRUD functionality.

Street 160 Restaurant Website | GitHub: github.com/nuwiix21-a11y/160-resturent-web.git

HTML | CSS | Bootstrap | JavaScript

- Built a responsive front-end website tailored for a restaurant business.
- Utilized web technologies to create an interactive and bug-free user experience.
- Tested cross-browser compatibility and responsiveness across multiple devices to ensure quality.

CERTIFICATIONS

- Exploring Networking with Cisco Packet Tracer - Cisco Networking Academy, 2026
- Introduction to Cybersecurity - Cisco, 2026
- Introduction to Modern AI - Cisco, 2026
- Networking Basics - Cisco, 2026

SOFT SKILLS & LANGUAGES

Skills: Problem Solving, Teamwork & Collaboration, Communication, Time Management, Adaptability, Fast Learning, Attention to Detail

Languages: Sinhala (Native), English (Intermediate)
